Re: Business Licensing Information

Dear Prospective Business Owner:

Enclosed please find the Skokomish Indian Tribe's Business Licensing Ordinance and the appropriate Business License Application Form.

Please review the Business Licensing Ordinance (BLO) and then fill out the Business Licensing Application form. You may return this form, along with the appropriate fee, to the Tribal Center for delivery to the Tribal Manager, or his designee, for review.

You will be notified within fourteen (14) days of review of your Application as follows:

- 1) That your application has been approved and a Business License has been issued; or alternatively,
- 2) That your application is rejected and an Order of Denial (sent via Certified Mail, Return Receipt Requested) has been issued. (See S.T.C. 4.08.013)

Please note that your notification of either event will be issued to the mailing address listed on your application; therefore it is imperative that you correctly list your mailing address. The Tribe is not responsible for undeliverable mail due to a misstated mailing address.

If you receive an Order of Denial you have the right to request reconsideration and appeal of said denial. Please refer to the Business License Ordinance (S.T.C. 4.08.014) for direction.

Thank you for your interest in doing business within the Skokomish Reservation.
